Brief description

stil & markt - the trade magazine all about living, cooking and giving presents ranges and brands suitable for the end consumer's living environment. As in a concept store, products are not assigned to different product ranges, but to living spaces.

stil & markt also offers trade and industry know-how with reports on specialist stores, sections such as design stories and sustainability, and background articles on trends, trade fairs and companies.

The homepage www.stilundmarkt.de supplements the print edition with up-to-the-minute reports from the industry and additional product information. The stil & markt newsletter is another regular information platform. The trade magazine also has a social media presence.

Proof: When making the proof please consider that our printer works with standard PSO-ISO 12647-2 values both in the preparatory and in the printing stages.
